REPORT OF THE ORLAND VOLUNTEER FIRE DEPARTMENT

The Fire Department has had a very successful year.

A gentleman who is very much interested in the Fire Department, gave a small truck which is now a forestry truck.

A building was needed to house it, which was bought.

Hose is needed very badly. Most of the hose we have, we have had since the Department was first started and is badly worn. Some of the hose is worn out completely.

I have been asked by a lot of people why they can't get the 5 and 10% reduction on their insurance. I think this will answer their question. Think it over voters. The next fire may be yours.

The boys have given their time for two years now. We haven't bought any expensive items this year but will list a few of the larger ones.

Fuel	\$ 233.46
Gas and Oil	117.18
Building	200.00
Eastern Fire Equipt. Inc.	129.42
Justin A. McCarthy Co.	150.00

Alarms Answered 42

Chimney Fires	22
Automotive Fires	1
Grass and Brush Fires	11
Structural Fires	2

Flooding Oil Burner	1
Searching Parties	5
Total	42

The members of the Fire Department wish to express their appreciation to all who have shown such interest and confidence this past year and hope to continue to merit the same in the future.

Thank You,

ERNEST L. HERRICK
Chief

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and
Citizens of Orland

It has been a little over a year since we consolidated all the schools. The results are already noticeable and are very gratifying. The children are manifesting and increasing interest in their work, and it is apparent that a larger number will continue their education through high school. The school is very well organized. The many visitors we have had during the year looking over the building, have commented on this fact. The teachers and children are to be commended on the care of the building and their interest in improving the school.

Two of the rooms are too much over crowded to give sufficient time to the needs of individuals. The increase in number of children will necessitate another teacher at the opening of the school next September. This will require installing folding doors or a temporary partition in the large room, also the purchase of a few new desks.

FINANCES

The increased number of students attending high school, also the increase in cost per student will require approximately \$8,000 for tuition next year. We will receive from the State in December, 1952, \$11,509 or an increase of \$1,873. This will enable us to finance the extra teacher, also the extra tuition cost with only a small increase in appropriation.

The appropriation for repairs can be reduced. It will be necessary to appropriate only enough to pur-

chase desks, and to pay for whatever time the janitor works during the summer on finishing the building, which is not permissible to charge to maintenance cost. This year the overdraft of \$457.48 was paid besides purchasing ten desks, door checks for the outside doors, grills and dampers and \$360 for labor on the ventilators.

LUNCH PROGRAM

The lunch program has increased from about eighty a day last year to one hundred and twenty. There will be the need of a few more folding tables before next year, as they will have to eat on the stage.

I am including a financial report for the program from the beginning of the program in October, 1951 to January 31, 1952. The balance enables us to pay all the bills promptly and in some instances receive a cash discount. A good balanced meal is being served very economically.

THE ORLAND PARENT TEACHER CLUB REPORT

The Orland Parent Teacher Club opened its 1951-1952 year with a new set of officers, namely:

Mrs. Lewis Gray, President

Mrs. Paul Dunbar, Vice President

Mrs. Velma Brown, Secretary

Mr. Arnold Hinckley, Treasurer

Two public suppers have been put on by the club. The money realized from these was used to purchase and install a new electric range in the kitchen. This has proved a wise investment as the one range did not provide adequate cooking space on which to prepare dinners for about one hundred thirty children each day.

The club gave eighteen dollars toward the Sodium Fluoride treatments given to the second, fifth and eighth grade children.

Plans are underway for a food sale to be held in February and a local talent show later in the year.

All parents and friends of the children are urged to attend the meetings which are held the last Thursday of each month.

Respectfully submitted,

VELMA BROWN,

Secretary

ANNUAL REPORT FOR ORLAND PUBLIC HEALTH NURSING SERVICE

January 1 to December 31, 1951

The public health nurse is one member of a team that renders health service to families and communities. Her work centers on the family and stretches out from the home into all parts of the community. She serves both as a nurse and a health teacher. In carrying out her activities, she works closely with the family physician and cooperates with other professional workers and community groups.

Following is a brief summary of the public health nursing service rendered in Orland during the year 1951. Health supervision calls were made to prenatal and postpartum patients, infants and preschool children. When requested by the family physician, children have been referred to the Pediatric Clinic held monthly in Bangor. When problems among the school age group have been reported, home visits have been made. This service has been given as a part of the total health program. In August a Child Health Conference was held. At that time twenty-five infants and preschool children received physical examinations. Immunizations were also offered at that time. In the fall sodium fluoride treatments for the prevention of tooth decay were given to school children. This program was sponsored by the Health Council.

A job which concerns all of us is Civil Defense. Our Civil Defense authorities and Red Cross need our help and cooperation. Blood donors are needed. Instruction in First Aid is most important. There is a job for each and every one of us, and we need to know what to do and how to do it.

There are two cheering signs upon the clouded horizon.. First, there is a rising concern for health in families and communities. This concern, long desired by public health nurses, is encouraging. Second, there is an increasing appreciation that teamwork is the soundest way in which to render health services. Such teamwork has been demonstrated by the cooperation of your Health Council, professional groups and the public in general.

Respectfully submitted,

LENEITA E. BUTLER,
Public Health Nurse

REPORT ON MOUTH HEALTH PROJECT

Orland — October 1951

To the Orland Health Council:

A ten day sodium fluoride program for children in the second, fifth and eighth grades was recently completed in Orland. The three year old children of the community were also included in this program.

Sodium fluoride treatments are given in a series of four, each treatment spaced from two to seven days apart. These treatments are started at the age of three and repeated again at the ages of seven, ten and thirteen. Sodium fluoride treatments will not curb all tooth decay, but it has been found that on a group basis sodium fluoride reduces the amount of expected decay by about forty percent. Sodium fluoride does not correct decay already present nor does it have any effect on unerupted teeth. Regular visits to the dentist are still necessary even after receiving the treatments.

A total of 117 children were seen by the dental hygienist during the ten day program. Four of these children were preschool. Forty-six children completed their sodium flouride treatments. One girl moved away before the treatments were completed. The other seventy children, which included the sub-primary, first, those in the second who did not have sodium fluoride, and the third grades, received a thorough mouth examination and individual instruction from the dental hygienist. At the end of the program a note was sent home to the parents of each child, describing the conditions of his or her mouth and stating recommendations for correction of any defects present.

Dental health education classes were taught in all the grades. Reducing sweets for desserts and in-between-meal snacks and substituting fruits was stressed in the sub-primary and first grades. Proper foods for healthy gums was taught in the second and third grades. Why clean teeth are necessary for good health was taught in the fourth grade. What constitutes good tooth care was discussed in the fifth and sixth grades. The structure of the mouth, the teeth, and dental decay was explained in the seventh and eighth grades. Proper toothbrushing technique was taught in all classes.

After examining all the children it was found that twenty children had no decay at all and nine different children had had all defects corrected, making a total of twenty-nine who had healthy teeth. Nineteen children had clean mouths. A clean mouth is defined as one free of stains, deposits, and debris.

Sixteen, or 14%, of the children said that they visit the dentist regularly, and eighteen, or almost 15%, said they had never been to the dentist. The younger children generally are the ones who have never been to the dentist. These children in the first grade need dental work on their permanent teeth. If this decay is cor-

rected while they are young, their teeth will be useful to them all their lives, while if neglected these teeth will have to be extracted in a short while.

Three children said they had no toothbrushes. Home care is one method of partial prevention of tooth decay that can be done inexpensively. Equal parts of salt and soda can be used as a dentifrice just as effectively as any commercial toothpaste.

The fact that more parents did not accept sodium fluoride might be attributed to several factors, one being lack of parent understanding. Sodium fluoride treatments do much toward improving mouth health, but education, home care and regular visits to the dentist are still vital factors. After two or three years of sodium fluoride applications and classroom education, there will probably be several visible results.

Working with Orland children and teachers was a pleasure.

Respectfully submitted,

PATRICIA WORTMAN,
Dental Hygienist

December 1951

AUDITOR'S REPORT

I have examined the Accounts of the Selectmen and Assessors, Treasurer, Tax Collector, and School Trustees, and find them in order and correct.

A detailed report will be filed in the Selectmen's Office.

(Recommended \$2,180 from the State Tax)	

TOWN WARRANT

State of Maine County of Hancock, ss.
To Manley E. Gray, a Constable of the Town of Orland,
County of Hancock, State of Maine.

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in town affairs, to meet at the town house in said town on Monday, the 10th day of March, 1952, at eight o'clock in the forenoon, to act on the following articles, to wit:

1st. To choose a moderator to preside at said meeting.

2nd. To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner, Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, and a member of the School District Trustees.

3rd. To act on the report of the municipal officers and Supt. of Schools.

4th. To choose constables.

5th. To choose surveyors of wood, lumber, staves and heading.

6th. To adopt a method of collecting taxes.

7th. To see if the town will vote to allow a discount of two per cent on all taxes paid on or before July 15th, 1952.

8th. To fix the compensation for collecting taxes.

9th. To see if the town will vote to take fish in season of 1952.

10th. To choose one member of the fish committee by written ballot to serve three years.

11th. To see if the town will vote to have the Fish Committee hire a foreman to supervise the building of

the trap and handling the fish, or to contract for the same, subject to the approval of the Selectmen.

12th. To see if the town will vote to have the member of the Fish Committee elected by secret ballot the same as other town officers.

13th. To see if the town will vote to pay the members of the Fish Committee the sum of \$15.00 per year.

14th. To raise money for snow removal and sanding.

15th. To raise money for repairs of highways and bridges.

16th. To fix compensation for men, teams, and trucks.

17th. To see what amount the town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

18th. To raise money for support of schools, this to include Supt. salary and insurance and repairs on school buildings.

19th. To see if the Town will vote to purchase a school bus.

20th. To see what amount the Town will vote to raise for purchase of school bus.

21st. To raise money for support of poor, supplementing old age assistance and veterans' relief.

22nd. To raise money for current and contingent expenses.

23rd. To raise money for Memorial Day.

24th. To raise money for Care of Old Cemetery.

25th. To raise money for Mother's Aid (Dependent Children).

26th. To see whether or not the town will vote to raise and appropriate the sum of Twenty-Five Dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine.

27th. To see if the Town will vote to raise twenty-five Dollars (\$25.00) for services of County Nurse.

28th. "To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 25 and 29, Chap. 20, R.S. 1944, as amended."

29th. To see what amount the town will vote to raise for the support of the Orland Volunteer Fire Dept. for cost of fires, expenses, and equipment.

30th. To see if the Town will vote to authorize the Selectmen to dispose of any town owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable, and to execute quit-claim deeds for same.

31st. To see if the Town will vote to authorize the Selectmen and Treasurer to make temporary loans in anticipation of and to be paid out of current taxes for the municipal year 1952 and to issue the town's negotiable notes therefor.

32nd. To see if the Town will vote to authorize the Selectmen and Treasurer to issue the Town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the town due now or to become due during the municipal year 1952.

33rd. To see if the Town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

34th. To see if the Town will vote to accept the provisions of the "Workmen's Compensation Act", and if so to raise money for same.

35th. To see if the Town will vote that suitable trucks owned by citizens be given preference for work on road construction and if not available, trucks from adjoining towns shall be given preference and hand labor shall be considered in the same manner.

36th. To see what amount the Town will vote to raise to maintain the Town Dump.

37th. To elect a fire ward.

38th. To see what action the Town will take in regard to the pay of town officers.

39th. To see if the town will vote to take from the 1951 fish money, the amount necessary to retire the bonds and interest of the School District Loan for the year 1952.

40th. To see what amount the town will vote to transfer from the balance of the 1951 fish money to the Orland School District Trustees, to pay other expenses.

41st. To see if the Town will vote to raise \$2,180.00 to retire the town note on the School Loan.

42nd. To see what amount the Town will vote to raise for Civil Defense and Public Safety.

The Selectmen will be in session at their office on Saturday, March 8, 1952 from 9 a.m. to 3 p.m. for the purpose of correcting the list of voters.

Given under our hands at Orland this 25th day of February, 1952.

LESLIE B. JOHNSON,
ALBEA F. SNOWMAN,
PERLE H. SOPER,
Selectmen of Orland

REPORT OF THE ORLAND VOLUNTEER FIRE DEPARTMENT

The Fire Department has two funds, the fire department fund, which is money appropriated by the town and used for fire equipment etc. only, and the firemen's fund, which is money earned by the firemen at dances, suppers, etc. and used on club room, sunshine and Xmas baskets etc. or any way they see fit.

This year the Town appropriation was \$2,500.00. The firemen earned and turned into the appropriation \$605.71.

Listed are five of the larger items bought:

12—50 ft. lengths 2½" hose (or) 600 ft. @ \$1.60	
per foot	\$ 932.50
Forestry pump accessories	429.00
Gas and oil	163.99
Fuel and lights	327.15
Forest fires	384.79
Total	\$2,237.43
Miscellaneous items	972.65
Total expended	\$3,210.08

Forty-nine alarms were answered with 14,100 feet of hose used.

Chimney	11
Auto	2
Grass, brush, woods	26
Structural	6
Flooded oil burners	3
False alarms	1
Total	49

Loss:

1 barn

1 sawmill

The Orland Fire Department had men at the Beddington fire and some at a fire in Bucksport at the same time.

They were called on, to pump out wells, cellars and ditches, haul water, clean out chimneys, and in fact just about anything that one could think of.

To the few who think that the fire department is a little slow sometimes, I would say, that there is not one paid man in the fire department and they have to work and be called from that work in case of fire. It takes a little time once in awhile.

Respectfully submitted,

ERNEST HERRICK,

Fire Chief.

REPORT OF SUPERINTENDENT OF SCHOOLS

The installation of folding doors in the large room and the furnishing of the room next to the stage was completed during the Summer. This cared for the crowded condition in some of the rooms. The building is now filled nearly to capacity. The sub-primary grade has 37 children, which is more than one teacher should have. It is apparent that the enrollment will increase gradually each year, which will require additional rooms. This seems to be a nation wide trend.

A set of reference books was purchased for use of the upper grades. Visual aid material is needed for all of the rooms.

The new 48 passenger bus has eliminated some extra trips on the East Orland route and permits a fifteen minute longer school day.

Orland is now in class 2 of the General-Purpose Educational Aid, so will receive as State aid 55% of the total cost of maintaining the schools including tuition. Even with this increase a larger appropriation is needed to meet the expense of the additional teacher for a full year, also the increase cost of tuition.

REPORT FOR ORLAND

PUBLIC HEALTH NURSING SERVICE

January 1 through December 31, 1952

During the past year, as a result of the organization of the Eastern Maine Tuberculosis and Health Association and the discontinuation of nursing service of the Hancock County Public Health Association, your public health nurse has undertaken the planning and execution of a generalized health program in your community. Her program, which formerly was limited to maternal and child health work, has extended to include the school and tuberculosis follow-up. This means that she is now doing a total family health service. The family is the axis upon which a community rotates. To meet the needs of the total community, one must first meet the needs of its component parts. Thus, by meeting the needs of each family, we will be, in reality, meeting the needs of the total community.

Following is a brief summary of the public health nursing service that has been rendered in Orland during the year 1952. Health supervision calls have been made to prenatal and postpartum patients, infants, preschool and crippled children. When requested by the family doctor, children have been referred to the Pediatric and Crippled Children's Clinics which are held regularly in Bangor. In June a Well Child Conference was held. Physical examinations were given and immunizations offered at that time.

The nurse has worked closely with the school administrators in planning and assisting with the school health program. The audiometer hearing test was given to children from the fourth through eighth grades. Sodium fluoride treatments were given in December. This program was sponsored by the Health Council. During the year several teacher-nurse conferences were held and special problems were discussed. Home visits were made to school children. Plans are now underway to hold a

town immunization clinic at which time protection against whooping cough, diphtheria, tetanus and small-pox will be offered.

To carry on any public health program the cooperation and assistance of every individual in the community is needed. The Health Council is one of the most helpful tools to the public health nurse in her work. Your Health Council has done much to promote the health program. They have recognized health needs and have found means of solving them. They have worked closely with the nurse, and by providing volunteer help have enabled her to give more service to the community.

In conclusion, I want to thank the Health Council, Town Officials, and all who have so generously given of their time in order to make our health program in Orland a success.

Respectfully submitted,

LENEITA E. BUTLER,

Public Health Nurse.

AUDITOR'S REPORT

I have examined the Accounts of the Selectmen and Assessors, Treasurer, Tax Collector, and School Trustees and find them in order and correct.

A detailed report will be filed in the Selectmen's Office.

Respectfully submitted,

M. F. McFARLAND.

TOWN WARRANT

State of Maine

County of Hancock, ss.

To Manley E. Gray, a Constable of the Town of Orland,
County of Hancock, State of Maine GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in town affairs, to meet at the town house in said town on Monday, the 9th day of March, 1953, at eight o'clock in the forenoon, to act on the following articles, to wit:

Article 1 To choose a moderator to preside at said meeting.

Art. 2 To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner, Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, a member of the School District Trustees and one member of the Fish Committee.

The polls will be open at eight o'clock in the forenoon and will remain open until twelve o'clock noon. The remaining business under this warrant will begin 1:00 P. M.

Art. 3 To act on the report of the municipal officers and Superintendent of Schools.

Art. 4 To choose constables.

Art. 5 To choose surveyors of wood, lumber, staves and heading.

Art. 6 To adopt a method of collecting taxes.

Art. 7 To see if the town will vote to allow a discount of two per cent on all taxes paid on or before July 15th, 1953.

Art. 8 To fix the compensation for collecting real estate, personal and excise taxes.

Art. 9 To see if the town will vote to take fish in the season of 1953.

Art. 10 To see if the town will vote to have the Fish Committee hire a foreman to supervise the building of the trap and handling the fish, or to contract for the same.

Art. 11 To see if the town will vote to have the Chief of the Fire Department elected by secret ballot the same as other town officers.

Art. 12 To see if the town wishes to make any change in regard to the pay of Town Officers, if so vote same.

Art. 13 To raise money for snow removal and sanding from November 1st to April 1st classed as winter road money.

Art. 14 To raise money for repairs of highways and bridges from April 1st to November 1st classed as summer road money.

Art. 15 To fix compensation for town labor of men, teams and trucks.

Art. 16 To see what amount the town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

Art. 17 To raise money for support of schools, this to include Superintendent's salary and insurance and repairs on school buildings.

Art. 18 To raise money for support of poor, supplementing old age assistance, veterans' relief and dependent children.

Art. 19 To see if the town will vote the sum of \$4,000.00 for pay of town officers to be applied to the Current and Contingent Account.

Art. 20 To see if the town will vote the balance of the Excise Tax to be applied to the Current and Contingent Account.

Art. 21 To raise money for Memorial Day.

Art. 22 To raise money for care of old cemetery.

Art. 23 To raise money for Mothers' Aid (Dependent Children).

Art. 24 To see whether or not the town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine.

Art. 25 To see if the town will raise and appropriate \$25.00 for public health nursing in Orland. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 26 To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 25 and 29, Chapter 20, R. S. 1944 as amended.

Art. 27 To see what amount the town will vote to raise for the support of the Orland Volunteer Fire Department for cost of fires, expenses, and equipment.

Art. 28 To see if the town will vote to authorize the Selectmen to dispose of any town owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable, and to execute quitclaim deeds for same.

Art. 29 To see if the town will vote to authorize the Selectmen and Treasurer to make temporary loans in anticipation of and to be paid out of current taxes for the municipal year 1953 and to issue the town's negotiable notes therefor.

Art. 30 To see if the town will vote to authorize the Selectmen and Treasurer to issue the town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the town due now or to become due during the municipal year 1953.

Art. 31 To see if the town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

Art. 32 To see if the town will vote to accept the provisions of the "Workmen's Compensation Act", and if so to raise money for same.

Art. 33 To see if the town will vote that suitable trucks owned by citizens be given preference for work on road construction and if not available, trucks from adjoining towns shall be given preference and hand labor shall be considered in the same manner.

Art. 34 To see if the town will vote to discontinue the following section of town road; from Carroll Patten's to the junction of road near Guy Hutchins on Leaches Point; the right of way from Phillip Bray's barn to the shore of the Eastern River; from driveway of Leslie B. Johnson in North Orland extending to the Bucksport, Orland town line and from the junction of this road at the corner known as the Dodge Hill road, to the driveway or roadway formerly owned by W. F. Moore, now Kelleher, and to the driveway of the former Coleman Gray homestead and these roadways remain as a right of way to the adjoining property owners.

Art. 35 To see what amount the town will vote to raise to maintain the town dump.

Art. 36 To elect a fire ward.

Art. 37 To see if the town will vote to authorize the School Department to pay Social Security on school employees.

Art. 38 To see if the town will vote to take the balance of the 1951 fish money and the 1952 money, the amount necessary to retire the bonds and interest and other expenses of the School District for the year 1953.

Art. 39 To see if the town will vote to take \$2,120.00 from the Surplus Account to retire the town note on the School Loan, if not to raise money for same.

Art. 40 To see if the town will vote to forward the balance of the Civilian Defense appropriation to 1953.

Art. 41 To see if the town will vote to return the
A. W. Soper Cemetery Trust Fund to Ouida S. Holt.

The Selectmen will be in session at their office on
Saturday, March 7, 1953 from 9 a. m. to 3 p. m. for the
purpose of correcting the list of voters.

Given under our hands at Orland this 18th day of
February, 1953.

LESLIE B. JOHNSON,
BOYD D. MARKS,
GEORGE E. SAUNDERS,

Selectmen of Orland.

REPORT OF THE ORLAND VOLUNTEER FIRE DEPARTMENT

At the annual Town Meeting, the sum of \$2,000.00 was voted the Orland Fire Department. The Ford tank truck finally wore out and at a special Town Meeting, we were voted \$2,000.00 to buy a new chassis to replace the Ford.

The new truck is a 1953 Chevrolet with a new 550 gallon tank and a new midship power take-off pump.

The truck has already been to seven fires. The drivers say it handles nice on the road and does fine work at fires.

Listed are some of the larger items for which the \$4,000.00 was spent:

New chassis	\$2,175.00
Tank, pump and suction hose	606.86
1,000 ft. forestry hose	501.50
Fuel, lights, telephone and insurance	453.11
Gas and oil	116.56

Chimney powder	68.40
----------------	-------

Misc. items, including help from Bucks- port, repairs, inspection of trucks, batteries for hand lanterns and parts	640.72
--	--------

making an overdraw of \$348.59.

Thirty-five alarms were answered with 4,370 feet of hose and 720 feet of ladders used.

Chimney	17
Grass, brush, woods	11
Structural	4
Flooded oil burners	1
False Alarms	1
Auto	1

I would like to mention this year the three who have been to the most fires: Clayton Pierce, driver, twenty-two fires; Stuart Saunders, first captain, seventeen fires, and Ernest Herrick, Chief, fifteen fires; also the three who have driven the trucks to the most fires; Clayton Pierce, seventeen fires, Stuart Saunders, five fires, and John Farnham, five fires.

I would like to thank the men who are not firemen, but helped at fires during the year. There were twenty-three of them.

Elwin (Bill) Pierce and Norwood Eldridge attended four fires each, during the year and Fred Leach three. We thank everyone for their help and appreciate it very much.

(Written from fire department records.)

Respectfully submitted,

VERAL E. HUTCHINS
Secretary & Treasurer

ERNEST HERRICK
Chief

REPORT OF THE SUPERINTENDENT OF SCHOOLS

A complete testing program was initiated this year to determine the achievement of each child in each subject. It also enables us to determine the weakness in different areas. With a few exceptions the results showed that the children were doing the work on their grade level. Special help and remedial work is being given to those having reading difficulty. The large number in some of the rooms makes it nearly impossible to give the individual help needed.

A film strip projector was added to the Audio-Visual aids. Many films are needed to supplement the textbooks.

I wish to take this opportunity to commend the Parent-Teachers Club for their keen interest and effort to improve the school. They purchased a piano, health scales, also a maroon fire and moth proof curtain for the stage.. Besides they initiated and financed to a large extent the construction of walks and the grading and seeding of the lawn in front of the building.

The increase in the number of high school students, also the increased cost of tuition will necessitate a larger appropriation for 1954. A law, which went into effect last August, allows the cost of truant officer, superintendent of schools, school committee, medical inspection and insurance to be included in the one appropriation for schools. The repairs still have to be a separate appropriation. Orland is in class two and receives fifty-five per cent of the total cost, except repairs, from the State.

From the repair account the corridor was redecorated, the windows weather stripped, and part of the outside of the building painted. The rest of the building should be painted another summer. Ten new students' desks and chairs were purchased, a new lawn mower and about \$100 spent on the grading.

Included in this report is a financial statement of the lunch program for the last school year. Due to the large amount of surplus food received at no cost, except the

freight, sufficient funds were available to purchase a deep freeze to store the surplus frozen foods received. This was a necessity if these foods were to be accepted. It is impossible to know very far in advance just how much or kind of surplus food that will be available. For this reason a charge of twenty-five cents per meal seemed necessary unless the town appropriated money to care for any deficit. However, a large amount of surplus food has been received and it seems apparent that the cost per meal may be reduced to twenty cents for the Spring term, and still balance the account.

REPORT OF THE PUBLIC HEALTH NURSING SERVICE

January 1 through December 31, 1953

Your public health nursing service is a community service not limited to any particular individual or groups. The purposes of the service are to help in the prevention and control of disease, and to promote good health at home, school, and work.

Your public health nurse has endeavored to carry on this service in Orland through home visits, Well Child Conferences, clinics, school visits, interviews, and group activities.

MATERNITY SERVICE:—Many visits were made to prenatal and postpartum patients.

INFANT AND PRESCHOOL SERVICE:—Several home visits were made to infants, and preschool children. In June a Well Child Conference was held. Physical examinations were given, and immunizations for whooping cough, diphtheria, tetanus, and smallpox were offered at that time.

SCHOOL HEALTH SERVICE:—Visits to school included group meetings with the teachers, teacher-nurse interviews to discuss problems, and special health activities.

Several visits were made to homes of school children.

The audiometer hearing test was given to all children from the 4th through the 8th grades.

In the winter a town immunization clinic was held. One hundred and fifty children received immunizations at that time. Ninety-eight were immunized against whooping cough, diphtheria, and tetanus, and 113 were vaccinated against smallpox.

Sodium fluoride applications for the prevention of tooth decay will be given to the age groups recommended in the near future.

In considering future plans it is hoped that some provision can be made to include physical examinations in our school health program. This would be a very important advance. The health examination is not only a means

of appraising the health status of the child, but is also an educational experience contributing to the pupil's understanding of health.

CRIPPLED CHILDREN'S SERVICE:—Visits were made to children for the purpose of securing medical help or to assist with those already under care.

Many interviews were held, and meetings attended to promote the health program. The progress of the public health nursing service this past year has been most gratifying, and was made possible only by the continued interest and support of the Health Council, school personnel, and the people of Orland.

Respectfully submitted,

LENEITA E. BUTLER

Public Health Nurse

AUDITOR'S REPORT

February 20, 1954

Board of Selectmen
Orland, Maine
Gentlemen:

In accordance with the laws of the State of Maine, and at your request, we have audited the records of the Town of Orland for the period February 9, 1953 to January 31, 1954.

Our examination was made in accordance with generally accepted standards and included all procedures we deemed necessary.

Insofar as could be ascertained, the records were in order except for the treasurer's books which were out of balance by an insignificant amount. It is believed that this may represent an error in the treasurer's book balance at the beginning of the Municipal year.

Our examination included review of the records maintained by each Town official including Town of Orland School District.

Very truly yours,

ROGER W. DOW

MAXWELL AMES

Selectmen

THE WARRANT

State of Maine County of Hancock, ss.
To Manley E. Gray, a Constable of the Town of Orland,
County of Hancock, State of Maine GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in town affairs, to meet at the town house in said town on Monday, the 8th day of March, 1954, at eight o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner, Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, one member of the School District Trustees to serve two years, in place of Irving Maynard and one member to serve the regular five year term, one member of the Fish Committee.

The polls will be open at eight o'clock in the forenoon and will remain open until twelve o'clock noon. The remaining business under this warrant will begin at 1:00 P.M.

Art. 3. To act on the report of the municipal officers and Superintendent of Schools.

Art. 4. To choose constables.

Art. 5. To choose surveyors of wood, lumber, staves and heading.

Art. 6. To adopt a method of collecting taxes.

Art. 7. To see if the town will vote to allow a discount of two per cent on all taxes paid on or before July 15, 1954.

Art. 8. To fix the compensation for collecting real estate, personal and excise taxes.

Art. 9. To see if the town will vote to take fish in the season of 1954.

Art. 10. To see if the town will vote to have the Fish

Committee hire a foreman to supervise the building of the trap and handling the fish, or to give to the purchaser a contract not to exceed five years and the purchaser to build and maintain his own trap for this period.

Art. 11. To see if the town wishes to make any change in regard to the pay of Town Officers, if so vote same.

Art. 12. To raise money for snow removal and sanding from November 1st to April 1st, classed as winter road money.

Art. 13. To raise money for repairs of highways and bridges from April 1st to November 1st, classed as summer road money.

Art. 14. To fix compensation for town labor of men, teams and trucks.

Art. 15. To see what amount the town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

Art. 16. To raise money for support of schools, this to include Superintendent's salary and insurance and repairs on school buildings.

Art. 17. To raise money for support of poor, supplementing old age assistance, and Veterans' relief.

Art. 18. To see if the town will vote the sum of \$4,000.00 for pay of town officers to be applied to the Current and Contingent Account.

Art. 19. To see if the town will vote the balance of the Excise Tax to be applied to the Current and Contingent Account.

Art. 20. To raise money for Memorial Day.

Art. 21. To raise money for care of old cemetery.

Art. 22. To raise money for Mothers' Aid (Dependent Children).

Art. 23. To see whether or not the town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95 of the Revised Statutes of Maine.

Art. 24. To see if the town will raise and appropriate \$25.00 for public health nursing in Orland. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 25. To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20, R. S. 1944 as amended.

Art. 26. To see what amount the town will vote to raise for the support of the Orland Volunteer Fire Department for cost of fires, expenses, and equipment.

Art. 27. To see if the town will vote to authorize the Selectmen to dispose of any town-owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable, and to execute quit-claim deeds for same.

Art. 28. To see if the town will vote to authorize the Selectmen and Treasurer to make temporary loans in anticipation of and to be paid out of current taxes for the municipal year 1954 and to issue the town's negotiable notes therefor.

Art. 29. To see if the town will vote to authorize the Selectmen and Treasurer to issue the town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the town due now or to become due during the municipal year 1954.

Art. 30. To see if the town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

Art. 31. To see if the town will vote to accept the provisions of the "Workmen's Compensation Act", and if so to raise money for same.

Art. 32. To see if the town will vote that suitable trucks owned by citizens be given preference for work on road construction and if not available, trucks from adjoining towns shall be given preference and hand labor shall be considered in the same manner.

Art. 33. To see what amount the town will vote to raise to maintain the town dump.

Art. 34. To elect a fire ward.

Art. 35. To see if the town will vote to pay Social Security on all Town employees and raise money for same, also to see if the town will vote to pay Social Security on all eligible School employees and raise money for same.

Art. 36. To see if the town will vote to take \$2,060.00 from the Surplus Account to retire the town note on the School Loan, if not, to raise money for same.

Art. 37. To see if the town will vote to raise and appropriate a sum of money to be used by the Director of Civilian Defense of the Town of Orland.

Art. 38. To see if the town will vote to raise a sum of money for maintenance of the Orland and Bucksport observation post.

Art. 39. To see if the town will vote to raise \$100.00 for physical examinations for school children.

Art. 40. To see if the town will vote to include the names and amount of money expended in the Annual Town Report of those persons receiving pauper assistance in accordance with the Revised Statutes of Maine, Chapter 80, Section 80 as amended by the Public Laws of 1951, Chapter 351.

Art. 41. To see if the town will vote to purchase a school bus for the North Orland and Orland Falls district if so, to raise money for same.

Art. 42. To see if the town will vote to give the 1952, 1953 and balance of the 1951 fish money to the School District Trustees, to retire the bonds and interest and other expenses of the School District, for the year 1954.

The Selectmen will be in session at their office on Saturday, March 6, 1954 from 9 a. m. to 3 p. m. for the purpose of correcting the list of voters.

Given under our hands at Orland this 18th day of February, 1954.

REPORT OF THE ORLAND VOLUNTEER FIRE DEPARTMENT

From Fire Department Records

At the annual Town Meeting, the sum of \$1,500.00 was voted for operation and maintenance, \$1,000.00 toward the new truck.

Appropriation	\$ 2,500.00
State, Account Forest Fires	59.50
Refund	11.00
Donation from Lions Club	136.50
Total Assets	\$ 2,707.00

Larger items for which funds were spent:

New Truck	\$ 1,000.00
Lights, Tel., Fuel, Ins.	622.29
500 ft. 1½" Hose @ \$.85 ft.	416.50
2 Forest Fires & help from Bucksport on Bray fire	210.00
Gas, oil	39.89
Misc.	403.60
Total disbursements	2,692.28
Unexpended balance	\$ 14.72

Thirty-four alarms were answered with 3,635 ft. of hose and 556 ft. of ladders used.

Chimney fires	17
Grass, woods	8
Structural	5
Flooded oil burners	2
Auto	1
False alarms	1
	34

The three attending the most fires were:

Ernest Herrick, Chief	20
-----------------------	----

Clayton Pierce, head driver	15
Norwood Ames, driver and fire police	13
Stanley Gray, fire police	14

We wish to thank all who helped in any way during the year.

Respectfully submitted,

VERAL E. HUTCHINS, Sec.-Treas.

ERNEST HERRICK, Chief

IN MEMORIAM

It is with deepest regret that we announce the loss of one of our most active Volunteer Firemen.

Norwood Ames was a charter member, a truck driver and a fire police.

He was third highest of those attending fires for the year.

Well liked by everyone who knew him, he will be greatly missed.

The Townspeople, as well as the Orland Fire Department extends sincere sympathy to the bereaved family.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The enrollment in the school has fallen off some since the opening of school in September, for several families have moved. At present only two rooms have an excessive teaching load. Special emphasis is being placed on helping each individual, so that the number of retarded children may be reduced to a minimum.

A number of film strips have been purchased for visual education. It is planned to add a few each year until a complete library of films on the different subjects will be available. A number of books were added for the reading tables in each room. Many more are needed to stimulate an interest for reading good books, rather than the undesirable material found in many stores.

The 36 passenger bus purchased for North Orland provides comfortable and safe conveyance for those children.

The outside painting of the building, which was started last year, was completed during the Summer. One room was redecorated. Two more rooms should be done next year. The rear entrance to the boiler room should be renovated to eliminate the water from running in and the floor should have an inch of smooth concrete over the present rough one.

ORLAND SCHOOL LUNCH PROGRAM

1953-1954

Receipts

Balance from 1952-1953	\$ 269.90
Lunches (pupils and adults)	4,544.09
Reimbursement from State	1,094.99
	\$ 5,908.98

Disbursements

Food	\$ 2,240.79
Milk	1,299.59
Labor	1,464.00
Miscellaneous—Includes equipment (mixer), Express, Bank charge, etc.	430.11
	5,434.49
Balance September 1954	\$ 474.49

The large balance at the end of the school year was due to the fact that the food inventory was lower than usual. Since then the inventory has been increased, and silverware and dishes were purchased. The reimbursement from the State on both meals and milk was reduced for this school year; so now there is approximately \$200. at the end of each month.

ANNUAL REPORT FOR ORLAND PUBLIC HEALTH NURSING SERVICE

January 1 through December 31, 1954

The primary objective of all public health nursing work is to prevent illness and help each individual enjoy the best possible health. This service is available to each and every individual of the community.

During the past year several health supervision calls have been made to homes of expectant mothers, infants, and preschool children. Late in the spring a Well Child Conference for children entering school in the fall was held; the children receiving at that time physical examinations and immunizations against whooping cough, diphtheria, tetanus and smallpox.

Several visits were made to the school for the purpose of conferring with the teachers regarding the health of children; and those referred as having a possible hearing loss were rechecked by the nurse on the audiometer. The physical examination program in the school was successfully completed in December. This is a big step forward in our school health program; often handicaps in school children are overlooked because we are not aware of them. It was most gratifying to have so many parents present at the examinations, as this gives the parent an opportunity to confer with the doctor and nurse as to the doctor's findings. Follow-up visits were made to homes of school children needing further medical care.

In considering future plans it is hoped that arrangements can be made for another immunization clinic sometime in the near future.

Several interviews were made, and meetings attended to promote the health program.

I wish to express my sincere appreciation to all who have helped to make the health program a success.

Respectfully submitted,

LENITA BUTLER,
Public Health Nurse

AUDITOR'S REPORT

February 24, 1955

Board of Selectmen
Town of Orland, Maine

Gentlemen:

In accordance with the laws of the State of Maine and at your request we have audited the books and records of the Town of Orland for the municipal year ended January 31, 1955.

Our examination was made in accordance with generally accepted standards of municipal accounting and included such tests of the accounting records as deemed necessary. Our complete report of audit is on file and available for public inspection at the Town Office.

Insofar as could be ascertained the financial records of the town officials were in order except as noted on the Treasurer's Report.

In our opinion the accompanying Comparative General Fund Balance Sheet labeled exhibit "A", fairly presents the financial standing of the Town of Orland at January 31, 1955.

Respectfully submitted,

LITTLE & GRAY

Ellsworth, Maine

TOWN WARRANT

State of Maine

County of Hancock, ss.

To Manley E. Gray, a Constable of the Town of Orland,

County of Hancock, State of Maine

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in town affairs, to meet at the Town House in said town on Monday, the 14th day of March, 1955, at eight o'clock in the forenoon, to act on the following articles, to wit:

Articles 1. To choose a moderator to preside at said meeting.

Art. 2. To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner, Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, one member of the School District Trustees to serve two years, in place of Richard Soper and one member to serve the regular five year term, one member of the Fish Committee.

The polls will be open at eight o'clock in the forenoon and will remain open until twelve o'clock noon. The remaining business under this warrant will begin at 1:00 P. M.

Art. 3. To act on the report of the municipal officers and Superintendent of Schools.

Art. 4. To choose constables.

Art. 5. To choose surveyors of wood, lumber, staves and heading.

Art. 6. To adopt a method of collecting taxes.

Art. 7. To see if the Town will vote to allow a discount of two percent on all taxes paid on or before July 15, 1955. Not to include Poll Taxes.

Art. 8. To fix the compensation for collecting real estate, personal and excise taxes.

Art. 9. To see if the Town will vote to charge two percent or more on all unpaid taxes after September 1.

Art. 10. To see if the Town will vote to take fish in the season of 1955.

Art. 11. To see if the Town will vote to have the Fish Committee hire a foreman to supervise the building of the trap and handling the fish, or to give to the purchaser a contract not to exceed five years and the purchaser to build and maintain his own trap for this period.

Art. 12. To see if the Town wishes to make any change in regard to the pay of Town Officers, if so, vote same.

Art. 13. To raise money for snow removal and sanding from November 1st to April 1st, classed as winter road money.

Art. 14. To raise money for repairs of highways and bridges from April 1st to November 1st, classed as summer road money.

Art. 15. To fix compensation for town labor of men and trucks.

Art. 16. To see what amount the town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

Art. 17. To raise money for support of schools, this to include Total Expenditures.

Art. 18. To raise money for support of poor, supplementing old age assistance, and Veterans' relief.

Art. 19. To see if the Town will vote the sum of \$4,000.00 for pay of Town officers to be applied to the Current and Contingent Account.

Art. 20. To see if the Town will vote the balance of the Excise Tax to be applied to the Current and Contingent Account.

Art. 21. To raise money for Memorial Day.

Art. 22. To raise money for care of old cemetery.

Art. 23. To raise money for Mothers' Aid (Dependent Children).

Art. 24. To see whether or not the Town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 95 of the Revised Statutes of Maine.

Art. 25. To see if the Town will raise and appropriate \$25.00 for public health nursing in Orland. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 26. To see what sum the Town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44 and 49, Chapter 23, R. S. 1954 as amended.

Art. 27. To see what amount the Town will vote to raise for the support of the Orland Volunteer Fire Department for cost of fires, expenses, and equipment.

Art. 28. To see if the Town will vote to authorize the Selectmen to dispose of any town-owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable, and to execute quit-claim deeds for same.

Art. 29. To see if the Town will vote to authorize the Selectmen and Treasurer to make temporary loans in the anticipation of and to be paid out of current taxes for the municipal year 1955 and to issue the Town's negotiable notes therefor.

Art. 30. To see if the Town will vote to authorize the Selectmen and Treasurer to issue the Town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the Town due now or to become due during the municipal year 1955.

Art. 31. To see if the Town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

Art. 31. To see if the Town will vote to accept the provisions of the Workmen's Compensation Act and if so to raise money for same.

Art. 33. To see if the Town will vote that suitable trucks owned by citizens be given preference for work on road construction and if not available, trucks from adjoining towns shall be given preference and hand labor shall be considered in the same manner.

Art. 34. To see what amount the Town will vote to raise to maintain the Town dump.

Art. 35. To elect a fire ward.

Art. 36. To see if the Town will vote to pay Social Security on regular Town employees and raise money for same, also to see if the Town will vote to pay Social Security on all eligible School employees and raise money for same.

Art. 37. To see if the Town will vote to raise and appropriate a sum of money for Civil Defense and Public Safety.

Art. 38. To see if the Town will vote to give the balance of the fish money, including 1954, to the School District Trustees, to retire the bonds and interest and other expenses of the School District, for the year 1955.

Art. 39. To see if the Town will vote to close the Municipal year December 31.

The Selectmen will be in session at their office on Saturday, March 12th, 1955 from 9 a. m. to 3 p. m. for the purpose of correcting the list of voters.

Given under our hands at Orland this 23rd day of February, 1955.

REPORT OF THE ORLAND FIRE DEPARTMENT

YEAR 1955

We were fortunate this year and didn't have too many fires and therefore not too much expense and we were able to install two overhead doors which will save on fuel. The other doors were all gone and we couldn't keep the trucks from freezing when it was cold.

At the annual town meeting the sum of \$2,500.00 was voted the Fire Dept., \$1,000.00 of this was to finish paying for the new truck. The truck is now paid for.

We added \$142.78 to the \$2,500.00 making a total of \$2,642.78.

Listed are a few of the items for which the money was spent.

Truck	\$ 1,000.00
Doors installed	387.76
Tel., Ins., lights	355.50
Fuel	204.01
Gas, Oil	48.23
Misc.	647.19
Total expended	\$ 2,642.78
No overdraw	

Twenty seven alarms were answered		Hose Used	
Chimney	11	Booster	1,725 ft.
Grass, woods, brush	11	1¼ inch	1,000 ft.
Structural	2	2 inch	200 ft.
Auto	2	Ladders	462 ft.
False Alarms	1	Miles traveled	251
		Hours at fires	25

27

The two buildings lost had such a start when discovered that it was impossible to save them although the men responded quickly and did fine work.

Would like to mention the three men attending the most fires again this year.

Lst. Capt. Stanley Gray	17 fires
Chief Ernest Herrick	16 fires
Head Driver, Clayton Pierce	15 fires

We thank all, both firemen and Townspeople for the help and support they have given during the past year.

Written from Fire Dept. records by Veral Hutchins,
Sec.-Treas.

Respectfully submitted,

ERNEST HERRICK,
Fire Chief

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of
Orland:

I herewith submit my thirty-second annual report. This being my last report, I wish to take this opportunity to express my appreciation to the citizens, especially to those who have served on the committee during these years. It is only through your interest and cooperation that we have been able to provide better schools for the children. It has been a pleasure to work with you.

The vote of the town to convey the high school students was the outstanding achievement for the year. This is being done at a very small expense. However, with the present buses it is not entirely satisfactory for some of the children have to leave home rather early. If the oldest bus could be replaced next year with a sixty-six passenger one, this condition could be improved. It has been suggested that a special bus be provided for high school students only. This would simplify the situation but would increase the cost approximately \$2500 a year for maintenance including driver, insurance, etc., besides the initial cost of the bus.

The results of the achievement test given in the Spring showed that the children were doing well as a whole. However, they did indicate that some children need more reading experience. As a result more emphasis is being placed on reading. The lower grades have been provided with phonetic workbooks and over one hundred good books have been distributed to the six rooms for their reading tables. More should be added each year, for many of the children do not have access to a library. The desired results can be obtained only by stimulating an interest in reading good books both at school and at home. If parents have books, which their own children have read, it would help if they would loan or donate them to the school.

This year the Bucksport Committee felt that the music supervisor should devote her entire time to the Bucksport

schools thus leaving your school without a supervisor. It was impossible to find a qualified person for part time work. It is hoped that some arrangements can be made before next year.

It is evident from the statistics available that more classrooms will be needed by 1957. As present some of the rooms have too many children for a teacher to give the individual attention that is desired.

The repairs recommended in my last report were done during the Summer. The recommended budget for next year includes money for tarring some of the grounds around the building, redecorating two rooms, a floor machine and installing two sinks, which were purchased but not installed at the time the building was constructed.

Some of the statistics are listed below.

Balance September, 1955	\$ 524.55

The balance is slightly larger than last year due to the fact that practically no supplies were on hand at the end of the year. A large part of the balance was used to replenish the stock before the opening of school.

Respectfully submitted,

G. HERBERT JEWETT,
Superintendent of Schools

REPORT OF PUBLIC HEALTH NURSING SERVICE

January 1 through December 31, 1955

Reviewing the health activities carried on in Orland this past year gives us an opportunity to evaluate, and consider what our next step should be to promote better health.

During the past year home visits have been made to expectant mothers, infants, and preschool children. When recommended by the family doctor children have been referred to special clinics held in Bangor. In June a Well Child Conference was held. Physical examinations were given, and immunizations for whooping cough, diphtheria, tetanus, and smallpox were offered at that time.

Several visits were made to the school to confer with teachers and students regarding health problems. The National Foundation for Infantile Paralysis was responsible for children in the first and second grades receiving the vaccination against poliomyelitis. The school physical examinations were completed in December. All children above the third grade were given the audiometer hearing test. In conducting these programs the nurse was ably assisted by volunteers.

Through the efforts of your local Health Council the Chest X-Ray survey was conducted in June. The number taking advantage of this opportunity to receive a chest x-ray was gratifying.

Dental decay continues to be one of our major problems. It is hoped that arrangements can be made to have the topical sodium fluoride applications again sometime in the future.

Your public health nurse wishes to thank the Health Council, and all who worked so earnestly to promote the health program in Orland.

Respectfully submitted,

LENEITA E. BUTLER,
Public Health Nurse

AUDITOR'S REPORT

January 16, 1956

Board of Selectmen,
Town of Orland
Orland, Maine

Gentlemen:

In accordance with the laws of the State of Maine, and at your request, we have audited the books and records of the Town of Orland for the municipal year ended December 31, 1955.

Our examination was made in accordance with generally accepted standards of municipal accounting and included such tests of the accounting records and other procedures as we deemed necessary.

In our opinion, the accompanying statements labeled Exhibits "A" through "E" fairly present the financial position of the Town of Orland as at December 31, 1955 and the results of its transactions for the municipal year then ended.

Respectfully submitted,

LITTLE & GRAY

A complete report of our audit is on file at the Town Office.

TOWN WARRANT

State of Maine

County of Hancock, ss.

To Manley E. Gray, a Constable of the Town of Orland,
County of Hancock, State of Maine. GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in Town affairs, to meet at the Town House in said Town on Monday, the 12th day of March, 1956 at 9 o'clock in the forenoon, to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, one member of the School District Trustees to serve the regular five year term, one member of the Fish Committee for three years.

The polls will be open at 9 o'clock in the forenoon and will remain open until twelve thirty o'clock noon. The remaining business under this warrant will begin at 1:30 P. M.

Art. 3. To act on the report of the municipal officers and Superintendent of Schools.

Art. 4. To choose constables.

Art. 5. To choose surveyors of wood, lumber, staves and heading.

Art. 6. To adopt a method of collecting taxes.

Art. 7. To see if the Town will vote to allow a discount of two percent on all taxes paid on or before July 15, 1956. Not to include Poll Taxes.

Art. 8. To fix the compensation for collecting real estate, personal and excise taxes.

Art. 9. To see if the Town will vote to take fish in the season of 1956.

Art. 10. To see if the Town will vote to authorize the Fish Committee to receive bids for building the trap, maintaining same and bailing the fish for a period not to exceed three years or to see if the Town will vote to have the Fish Committee hire a foreman to supervise the building of the trap and handling the fish, or to give to the purchaser a contract not to exceed three years and the purchaser to build and maintain his own trap for this period.

Art. 11. To see if the Town wishes to make any change in regard to the pay of Town Officers, if so, vote same.

Art. 12. To raise money for snow removal and sanding from November 1st to April 1st, classed as winter road money.

Art. 13. To raise money for repairs of highways and bridges from April 1st to November 1st, classed as summer road money.

Art. 14. To fix compensation for Town labor of men and trucks.

Art. 15. To see what amount the Town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

Art. 16. To raise money for support of schools, this to include total expenditures.

Art. 17. To see if the Town will vote the amount of State Tax be included in the total School Fund.

Art. 18. To raise money for support of poor, supplementing old age assistance, and Veterans' relief.

Art. 19. To see if the Town will vote the sum of \$4,000.00 for pay of Town Officers to be applied to the Current and Contingent Account.

Art. 20. To see if the Town will vote the balance of the Excise Tax to be applied to the Current and Contingent Account.

Art. 21. To raise money for Memorial Day.

Art. 22. To raise money for care of old cemetery.

Art. 23. To raise money for Mothers' Aid (Dependent Children).

Art. 24. To see whether or not the Town will vote to raise and appropriate the sum of twenty-five dollars to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Art. 25. To see if the Town will raise and appropriate \$25.00 for public health nursing in Orland. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 26. To see what sum the Town will raise and appropriate for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44 and 49 Chapter 23, R. S. 1954 as amended.

Art. 27. To see what amount the Town will vote to raise for the support of the Orland Volunteer Fire Department for costs of fires, expenses, and equipment.

Art. 28. To see if the Town will vote to authorize the Selectmen to dispose of any Town-owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable and to execute quit-claim deeds for same.

Art. 29. To see if the Town will vote to authorize the Selectmen and Treasurer to make temporary loans in the anticipation of and to be paid out of current taxes for the municipal year 1956 and to issue the Town's negotiable notes therefor.

Art. 30. To see if the Town will vote to authorize the Selectmen and Treasurer to issue the Town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the Town due now or to become due during the municipal year 1956.

Art. 31. To see if the Town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

Art. 32. To see if the Town will vote to accept the provisions of the Workmen's Compensation Act and if so to raise money for same.

Art. 33. To see what amount the Town will vote to raise to maintain the Town dump.

Art. 34. To elect a fire ward.

Art. 35. To see if the Town will vote to pay Social Security on regular Town employees and raise money for same, also to see if the Town will vote to pay Social Security on all eligible School employees and raise money for same.

Art. 36. To see if the Town will vote to raise and appropriate a sum of money for Civil Defense and Public Safety.

Art. 37. To see if the Town will vote to give the 1955 fish money to the School District Trustees, to retire the bonds and interest and other expenses of the School District for the year 1956.

Art. 38. To see if the Town will vote to close the Municipal year December 31.

Art. 39. To see if the Town will vote \$200.00 to help maintain the avenues in Oak Grove Cemetery.

Art. 40. To see if the Town will vote to ask all camp and cottage owners to have name posted on camp or lot so assessors can identify same.

Art. 41. To see if the Town will raise and appropriate the sum of \$6,000 to purchase a 66 passenger school bus.

Art. 42. To see if the Town will vote to paint the Staples house, if so, appropriate money for same.

The Selectmen will be in session at their office on Saturday, March 10th, 1956 from 9 a. m. to 3 p. m. for the purpose of correcting the list of voters.

Given under our hands at Orland this 1st day of February, 1956.

REPORT OF THE ORLAND FIRE DEPARTMENT

YEAR — 1956

At the annual Town Meeting the sum of \$1,500.00 was voted for the maintenance and operation of the Fire Department.

Listed are some of the larger items for which the money was expended:

Forest Fires	\$ 496.41
Hose	328.00
Fuel	222.24
Telephone	154.30
Back Pumps	107.05
Insurance	115.25
Lights	89.10
Gas, Oil	27.93
Miscellaneous	215.88

Total expended	\$1,756.16
----------------	------------

Received from the State acct.

forest fires	\$ 227.22
Town Appropriation	1,500.00

Total available	1,727.22
-----------------	----------

Overdraw	\$ 28.94
----------	----------

Thirty-one alarms were answered		Hose Used	
Chimney	8	Booster	1,300 ft.
Grass, woods, brush	10	1½	4,300 ft.
Structural	5	2	—
Auto	2	Ladders	294 ft.
Oil Stove	5	Miles traveled	185
False Alarms	1		
	31		

The two attending the most fires this year were Ernest Herrick, Chief, 15; Stanley Gray, Asst. Chief, 11. There were four in third place each having attended eight fires. They are Clayton Pierce head driver, Clyde York, Irvin Cunningham and Veral Hutchins.

We wish to thank all who helped at fires; the St. Regis Paper Co.; the Bucksport Fire Department; the Towns' People and people from other towns. Also Tourists who were driving through and stopped and gave their help. Thank you all.

This report written from Fire Department records by Veral Hutchins, Secretary.

ERNEST HERRICK,
Fire Chief

Respectfully submitted,

J. J. OBEY,
Treasurer

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of the Town of Orland:

I herewith submit my first annual report as Superintendent of Schools for the fiscal year ending December 31, 1956.

SCHOOL FINANCES

I regret to report that the School Department closed its fiscal year with a deficit in all accounts of \$603.15. There are two principal reasons for this overdraft in the school account:

1. Tuition costs, due to increased enrollment and increased tuition rates, exceeded the amount estimated in the 1956 budget by \$932.25. It is quite impossible to estimate accurately the secondary school enrollment for the next school year.

2. The employment of an additional teacher, made necessary by a substantial increase in our enrollment.

The school budget for 1957 indicates an increase in the town appropriation of \$4,818.19. The school budget for all purposes calls for total expenditures of \$58,474.19 compared with a budget of \$53,515.00 for 1956, which included \$6,000.00 for the purchase of a new school bus. However, the actual increase in the school appropriation, exclusive of the amount raised for a school bus, is \$10,818.19. The following items account for most of this increase in proposed expenditures for 1957:

1. The employment of one additional teacher and the inclusion of salary increases given last year, which must be met in full in the 1957 budget.
2. Teacher increases for the 1957-1958 school year, one-third of which must be raised in this budget. This also includes increases given to the bus drivers and the school custodian.
3. The 1956 school overdraft of \$932.50 which must be raised in the 1957 appropriation.

4. An increase in the tuition budget from \$15,300 in 1956 to \$19,500 for 1957. This is necessary because of a sharp jump in the number of tuition pupils as well as an increase in the tuition rate from \$270.00 to \$295.00 per pupil.

We have been notified that our State subsidy allotment will be augmented by over \$1,500.00. However, this is partially offset by a drop in our classification from 52½% to 50% — costing the town several hundred dollars in lost subsidy for the next two years. As the State subsidy allotment has been established for two years, there can be no further relief from this source until 1959.

The trend in school costs is still upward and no alleviation of this problem is in sight. The major part of the school dollar is expended, of necessity, for teachers' salaries, and though we pay quite well for this size town, we are still far below many areas in Maine. To keep our teachers and provide efficient schools, we must pay salaries commensurate with those paid by the more affluent towns. To do this requires money, which must of necessity come from the local taxpayer.

SCHOOL ENROLLMENT AND TUITION COSTS

When school opened this fall, there were 219 pupils enrolled in the elementary school; 72 in the secondary school; 70 attending the high school in Bucksport and one each in Blue Hill and Higgins Classical Institute. In 1956 the secondary enrollment was only 54, making an increase of 18 pupils for 1957. With a total school enrollment of 290—38 above last year—Orland's school enrollment reached its all-time peak.

Approximately one-third of the school's entire budget is raised to meet the cost of tuition for pupils attending high school. The tuition rate was \$270.00 for the 1955-1956 school year and was increased to \$295.00 in the fall of 1956. As secondary costs continue to rise, tuition rates must go up with them, making it necessary to increase the budget to meet the additional financial load.

The budget for 1956 called for a tuition appropriation of \$15,300.00, but actual expenditures amounted to \$16,232.25. The 1957 budget calls for an appropriation of \$19,500.00 for high school tuition, an increase of \$4,200.00 above that estimated for 1956. As can readily be seen, this is one of the major causes for the rapid growth in our school budget.

THE SCHOOL DISTRICT

The elementary school is now over crowded and additional space should be provided as soon as possible. To help lessen the teacher-pupil load an additional teacher was hired. For necessary classroom space the principal's office is being used. This is not a desirable situation, but under the circumstances there is no other alternative.

To meet the needs of our growing school population, serious consideration should be given to enlarging the present building by adding at least two more classrooms. To provide the necessary funds for such a project, it is necessary for most towns to ask the State Legislature for a School District. To build the present school, the Town of Orland requested the State Legislature in 1949 to create the Orland School District giving them the right to borrow up to \$40,000.00. As the present district is still in effect, and will continue to be until the present building is paid for, it is not necessary to ask for a new district bill. However, in order to have the needed fund for new construction, the 1949 district bill must be amended to increase its borrowing power.

The State Legislature opens its sessions in January and will consider our request some time before it adjourns in the late spring. If this bill is amended, it does not bind the town in any way until it has been approved by the people at either the annual or a special town meeting.

It is expected that Congress will enact legislation providing Federal Funds for school building construction some time in 1957. If this should occur, Orland would be in a position to take advantage of any financial help that might be available.

CONVEYANCE

One of the biggest items in our school budget is the cost of conveyance, which includes salaries for drivers, gas, oil, and bus maintenance. The geographical distribution of the town is such as to make it quite impossible to cover all routes with less than three buses. The school population has also increased so rapidly that, even though a new 66 passenger bus was purchased this past year, we find our buses at the present time crowded to capacity.

The oldest bus, from the point of service, is now on the East Orland route and was purchased in 1952. This is only a 48 passenger bus and is not large enough to convey all the pupils on that route. Plans should be made to replace it with a larger bus as soon as it is financially possible. Funds should be included in the budget each year, and set aside as a sinking fund toward the future purchase of school buses. As now school buses cost in the vicinity of \$7,000.00, a fund of this type would lessen the load in any one year whenever a new bus is needed.

REPAIRS AND THE SCHOOL GROUNDS

Major repair expenditures are not contemplated for the 1957 fiscal year. Though it is impossible to budget repair expenditures accurately, we have endeavored to include enough in the budget to take care of the possible eventualities that might arise.

Throughout the past summer the usual amount of building renovation was carried on. Two of the classrooms and kitchen were painted throughout. Sink cabinets were built in four of the classrooms and two drinking fountains installed. A major item occurred this fall when it was found necessary to replace the fire brick in the furnace. Two or three leaks have also developed in one of the expansion tanks, which may necessitate its replacement in the near future.

The school grounds should receive some attention this coming summer. So much muck and dirt is being carried into the building each day on the feet of the children as to

make it almost impossible to keep it clean. Not only is this unsanitary, but it is harmful to the tile floors and detrimental to the general appearance of the interior of the building. The road ways leading into the building and the grounds surrounding the building are rough and rocky and need grading. I would recommend that both the roadways and grounds in the rear and at both ends of the building be graded and tarred as soon as funds are available for this purpose.

PLAYGROUND EQUIPMENT

Plans are being made at the present time to purchase and install several pieces of playground equipment on the school grounds. A set of eight swings were purchased and installed last fall at a cost of \$208.64. These were paid for by a gift of \$100 from the Lions Club and the Parent-Teachers' Club donated the remaining \$108.64. A Merry-Go-Round and a set of 4 teeters will be installed this spring, giving us a good nucleus of playground equipment which can be supplemented as fast as funds are available. This will give the children of the town a playground center which can be used by the children for recreation the year round.

Donations for this project will be gratefully accepted. The Committee wish to extend their thanks and appreciation to all those who have so generously given their financial support.

SCHOOL PERSONNEL

Several changes occurred in our school personnel this past year. Mr. Richard Ladner, a recent graduate of Gorham State Teachers' College, with a Master's degree from the University of Maine, was hired as principal and teacher to replace Mr. Arnold Hinckley, who resigned last spring. Mrs. Minnie Bowden, a teacher of many year's experience and a graduate of Gorham Normal and the University of Maine was hired to help relieve the over-crowded situa-

tion in the elementary school. Miss Florence Homer, a resident of Bucksport and a retired teacher of many years experience, is teaching music in the elementary school one day a week.

I am sure that Orland has an excellent corp of teachers, and know that this community is much more fortunate in this respect than many others throughout the State. I want to take this opportunity to express to them, as well as the principal, bus drivers, janitor and school lunch cooks, my thanks and appreciation for the cooperation given me during my first few months as your superintendent. To the members of the Superintending School Committee, who have given so generously of their time and interest, I want to extend my thanks and appreciation for their support.

Respectfully submitted,

PAUL J. BROWN,
Superintendent of Schools

REPORT OF PUBLIC HEALTH NURSING SERVICE

January 1 through December 31, 1956

One important method of securing and maintaining optimum health for a community is through the protection of its children. Protection against disease, and regular physical examinations should begin early in infancy and continue through life.

Health supervision calls have been made to expectant mothers, infants, preschool and school children. When recommended by the family doctor children have been referred to special clinics in Bangor.

During the summer a Well Child Conference was held. Physical examinations, and immunizations against whooping cough, diphtheria, tetanus, and smallpox were offered at that time. This was not well attended, and it is hoped that more parents will take advantage of this opportunity next year.

The immunization program this year included for the first time poliomyelitis vaccinations, (Salk Vaccine) for all children from six months to twenty years of age. To date 153 children have received two inoculations. In the spring 77 children received immunizations for whooping cough, diphtheria, and tetanus. Fifty-six children received smallpox vaccinations.

The school physical examination program, which included children in the sub-primary, 2nd, 4th and 8th grades was completed in December. In the spring topical sodium fluoride applications for the prevention of tooth decay was given to the age groups recommended.

Your public health nurse wishes to take this opportunity to thank Dr. Berry, the Health Council, and all who have helped to promote the health program in Orland.

Respectfully submitted,

LENEITA E. BUTLER,

Public Health Nurse

AUDITOR'S REPORT

January 18, 1957

Board of Selectmen
Town of Orland
Orland, Maine

Gentlemen:

In accordance with the laws of the State of Maine and at your request, we have audited the books and records of the Town of Orland for the Municipal year ended December 31, 1956.

Our examination was made in accordance with generally accepted standards of Municipal accounting and included such tests of the accounting records and other procedures as we deemed necessary.

In our opinion the accompanying statements labeled Exhibits "A" through "E" fairly present the financial position of the Town of Orland as at December 31, 1956, and the results of its transactions for the Municipal year then ended.

Respectfully submitted,

LITTLE & GRAY

A complete report of our audit is on file at the town office.

TOWN WARRANT

State of Maine

County of Hancock, ss.

To Manley E. Gray, a Constable of the Town of Orland,
County of Hancock, State of Maine. GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in Town affairs, to meet at the Town House in said Town, on Monday, the 11th day of March, 1957 at 9 o'clock in the forenoon, to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner, Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, one member of the School District Trustees to serve the regular five year term, one member of the Fish Committee for three years.

The polls will be open at 9 o'clock in the forenoon and will remain open until twelve o'clock noon. The remaining business under this warrant will begin at 1:00 P. M.

Art. 3. To act on the report of the municipal officers and Superintendent of Schools.

Art. 4. To choose constables.

Art. 5. To choose surveyors of wood, lumber, staves and heading.

Art. 6. To adopt a method of collecting taxes.

Art. 7. To see if the Town will vote to allow a discount of two percent on all taxes paid on or before July 15, 1957. Not to include Poll Taxes.

Art. 8. To fix the compensation for collecting real estate, personal and excise taxes.

Art. 9. To see if the Town will vote to take fish in the season of 1957.

Art. 10. To see if the Town will vote to authorize the Fish Committee to receive bids for building the trap, maintaining same and bailing the fish for a period not to exceed three years or to see if the Town will vote to have the Fish Committee hire a foreman to supervise the building of the trap and handling the fish, or to give to the purchaser a contract not to exceed three years and the purchaser to build and maintain his own trap for this period. Also to see if the Town will authorize the fish committee to receive bids for trucking fish, all agreements or contracts be subject to approval of the Selectmen.

Art. 11. To see if the Town wishes to make any change in regard to the pay of Town Officers, if so, vote same.

Art. 12. To raise money for snow removal and sanding from November 1st to April 1st, classed as winter road money.

Art. 13. To raise money for repairs of highways and bridges from April 1st to November 1st, classed as summer road money.

Art. 14. To fix compensation for Town highway labor of men and trucks.

Art. 15. To see what amount the Town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

Art. 16. To raise money for support of schools, this to include total expenditures.

Art. 17. To see if the Town will vote the amount of State Tax be included in the total School Fund.

Art. 18. To raise money for support of poor, supplementing old age assistance and Veterans' relief.

Art. 19. To see what sum the Town will vote to raise for pay of Town Officers to be applied to the Current and Contingent Account.

Art. 20. To see if the Town will vote the balance of the Excise Tax to be applied to the Current and Contingent Account.

Art. 21. To raise money for Memorial Day.

Art. 22. To raise money for care of old cemetery.

Art. 23. To raise money for Mothers' Aid (Dependent Children).

Art. 24. To see whether or not the town will vote to raise and appropriate the sum of Fifty Dollars (\$50.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Sec. 108, of the Revised Statutes of 1954.

Art. 25. To see if the Town will raise and appropriate \$25.00 for public health nursing in Orland. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health for local service.

Art. 26. To see what sum the Town will raise and appropriate for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44 and 49 Chapter 23, R. S. 1954 as amended.

Art. 27. To see what amount the Town will vote to raise for the support of the Orland Volunteer Fire Department for costs of fires, expenses and equipment.

Art. 28. To see if the Town will vote to authorize the Selectmen to dispose of any Town-owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable and to execute quit-claim deeds for same.

Art. 29. To see if the Town will vote to authorize the Selectmen and Treasurer to make temporary loans in the anticipation of and to be paid out of current taxes for the municipal year 1957 and to issue the Town's negotiable notes therefor.

Art. 30. To see if the Town will vote to authorize the Selectmen and Treasurer to issue the Town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the Town due now or to become due during the municipal year 1957.

Art. 31. To see if the Town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

Art. 32. To see if the Town will vote to accept the provisions of the Workmen's Compensation Act and if so to raise money for same.

Art. 33. To see what amount the Town will vote to raise to maintain the Town dump.

Art. 34. To elect a fire ward.

Art. 35. To see if the Town will vote to pay Social Security on regular Town employees and raise money for same, also to see if the Town will vote to pay Social Security on all eligible School employees and raise money for same.

Art. 36. To see if the Town will vote to raise and appropriate a sum of money for Civil Defense and Public Safety.

Art. 37. To see if the Town will vote to transfer the 1956 fish money to the School District Trustees as needed, to retire the bonds and interest and other expenses of the School District for the year 1957.

Art. 38. To see if the Town will vote to close the Municipal year December 31.

Art. 39. To see if the Town will vote the sum of \$150.00 to the Granite Cemetery Association of North Orland for the maintenance and repairs of the roadways.

Art. 40. To see if the Town will vote to ask all camp and cottage owners to have name posted on camp or lot, so assessors can identify same.

Art. 41. To see if the Town will vote to have a watchman and police for the Village. If so to raise money for same.

Art. 42. To see if the Town will vote that the watchman at the fire house and the village police be elected on the regular ballot as the other Town Officers.

Art. 43. To see if the Town will authorize the Fire Department to purchase either a new truck or a new chassis for the American La France pumper.

Art. 44. To see if the Town will vote money to pay for the membership in the Maine Municipal Association.

Art. 45. To see if the Town will vote to change the time of Town Meeting.

Art. 46. To see if the Town will vote to raise \$2,000 to retire the School Bus note.

Art. 47. To see if the Town will vote to allow Selectmen to appoint a committee to work with the Industrial Development Commission to bring an industry to Orland.

Art. 48. To see if the Town will vote to combine offices of Treasurer and Tax Collector.

Art. 49. To see if the Town will vote to appoint a Deputy Town Clerk.

Art. 50. "Shall the Act relating to borrowing capacity of Town of Orland School District, passed by the 98th Legislature be accepted?"

The Selectmen will be in session at their office on Saturday, March 9th, 1957, from 9 A. M. to 3 P. M. for the purpose of correcting the list of voters.

Given under our hands at Orland this 2nd day of February, 1957.

Selectmen of the Town of Orland

The Selectmen of the Town of Orland wish to thank all State, County and Town Officials for their cooperation during the past year. We feel that the town is in good financial condition. The revaluation will be completed by the first of April. This should give a more balanced value of property.

The balance in the Treasurer's report is a credit to the taxpayers of the Town and to our tax collector.

ORLAND FIRE DEPARTMENT BUDGET FOR 1958 (With Explanations)

1. FIXED EXPENSES

It should be noted that some of the following fixed expenses which come out of the Fire Department Budget are of direct benefit to the Police Department. Therefore, the initials, "FD" or "PD", or both, indicate just which department benefits in the budget. Though the Police Department derives benefits from this budget, it must be also borne in mind that the Fire Department is greatly helped in its efficiency with the Police Department personnel maintaining the heat in the station, doing janitor work, and answering the alarms for fires.

A. HEAT — FD — PD — 1957 Costs: \$225.00
1958 Estimate \$ 225.00

B. LIGHT — FD — PD — 1957 Costs: \$90.00
It is planned by the department to devote considerable time this coming year to training programs for volunteer members. These same members have agreed to devote more time in volunteer work at station improvement and equipment improvement and repair. Thus, more electricity will be used. 1958 Estimate 100.00

C. TELEPHONE — FD — PD — 1957 Costs: \$150.00
1958 Estimate 150.00

D. INSURANCE on FD truck — 1957 Costs: \$103.25
The rates will be increased in 1958
1958 Estimate 136.00

E. GAS, OIL, ANTI-FREEZE — For all FD equipment 1957 costs were \$41.77. The number of fire calls and the amount of time the truck and portable pumpers are in use to fight fire governs the amount of gas and oil used. 1957 was a very fortunate year in so few calls. Less than three gallons of gasoline was

used by the department for training sessions. Membership of the department feels that in 1958 there must be training programs for membership in learning to quickly and speedily operate all motorized equipment. To cover at least in part the increased tempo of training, the 1958 estimate is 70.00

F. MOTOR VEHICLE INSPECTION

1957 Costs: \$1.50

1958 Estimate 1.50

1958 Total Estimates	\$ 682.50
----------------------	-----------

1957 Total Fixed Costs	611.52
------------------------	--------

Increase for 1958	\$ 70.98
-------------------	----------

2. OPERATING EXPENSES

Previous years the Town reports show a large sum of the Fire Department budget classified as miscellaneous. The department budget committee feels this should be itemized for the 1957 report, and budget estimate for 1958.

ITEMS

- | | |
|--|-----------|
| A. Portable pump and suction hose | \$ 500.00 |
| B. Chimney powder | 102.60 |
| C. Rain coats | 115.00 |
| D. Building repairs | 84.31 |
| E. Tools | 7.00 |
| F. Salary | 5.78 |
| G. Equipment repairs | 200.02 |
| (Items A, B, and C do not need to be considered in 1958. However, a careful perusal of the department by its budget committee shows the following needs for 1958.) | |
| H. 500 Feet of 1½ inch hose | 625.00 |
| I. Paint for station — labor donated by members | 16.00 |
| J. General minor repairs to station — material | 26.00 |
| K. Anticipated equip. repairs — parts replacement based upon past experience and present condition of equipment | 150.00 |

L. General emergency — (Cushion for unforeseeable emergencies)	150.00
--	--------

1958 Estimate Total	\$ 967.00
---------------------	-----------

III. RADIO

Both the department membership and its budget committee have voted the approval of this item to be submitted to the town.

It needs the following explanation: Through the joint efforts of the County Civil Defense, the County Commissioner, and the Hancock County Firemen's Association, a plan to put in a county-wide emergency radio communication setup is proposed.

Plans call for each town fire department to have one or more radio units in its station or trucks. Thus, calls for fire, police or Civil Defense emergencies can be relayed throughout the county for mutual benefit of each town. Undoubtedly, the plan will go through; and regardless of whether a town has none, or one or more units, it is estimated each town will be assessed \$100.00 by the County Commissioners for the Central control station.

The department feels it should have one unit in the station. It is estimated by the Hancock Fireman's Association that each two-way radio unit will cost \$315.00.

On this basis we submit the following proposal:

- | | |
|------------------------------------|-----------|
| 1. One unit — two-way radio | \$ 315.00 |
| 2. Repairs and maintenance of unit | 35.00 |

Total	\$ 350.00
-------	-----------

TOTAL PROPOSED BUDGET FOR 1958

Fixed costs	\$ 682.50
Other operating costs	967.00
Radio	350.00

J. J. OBEY, Treasurer

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of the Town of Orland:

I herewith submit my second annual report as Superintendent of Schools for the fiscal year ending December 31, 1957.

SCHOOL FINANCES

The School Department closed its fiscal year with a General School Fund balance of \$699.16. This balance was primarily due to an increase in our State School Funds for 1957.

School expenditures will increase again this year. The budget calls for a town appropriation of \$42,112.96, exceeding that of 1957 by \$4,354.77. There are three reasons for this increase:

1. Increases must be given all teachers to meet the provisions of the State Teacher School Salary Law; requiring \$300 increments until they reach the maximum required by law.
2. The employment of an additional teacher to meet the provisions of the Sinclair Law.
3. An increase in the budget of over \$2,000.00 for pupils attending high school to meet the rise in tuition costs.

The scarcity of teachers and the requirements of the State Salary Law for teachers makes a considerable inroad on our school budget. This is the biggest item in the budget, and as there is no indication as yet that the teacher situation will improve, expenditures are bound to increase to meet the situation.

The Sinclair law requires that there is at least one teacher for every 30 elementary school pupils enrolled. Failure to meet the provisions of the Foundation Program as set up under the Sinclair Law could result in the loss of State Subsidy.

SCHOOL ENROLLMENT

At the present time there are 225 pupils enrolled in the elementary school, an increase of six over the previous year. As only eight are graduating from the eighth grade and an incoming class of at least 25 beginners is expected—our elementary enrollment should be over 240 next fall.

Our high school enrollment dropped from 72 to 65 this fall. There should be a further drop next years as 13 are graduating from high school and only eight will be entering the 9th grade. This should give us an enrollment of approximately 60 in high school in the fall of 1958. This situation is only temporary, however, as it is only a matter of time before the large grades we now have enrolled in the elementary school will eventually increase our high school enrollment to at least 100 pupils.

TUITION COSTS

As has previously been indicated, approximately one third of our total budget is raised to meet the cost of tuition for pupils attending high school. Though our secondary enrollment has slightly decreased, tuition fees increased, thus offsetting any possible drop in the tuition budget. The tuition rate was \$295.00 for the 1956-57 school year and was increased to \$330.00 in the fall of 1957. There will be a further increase in the fall of 1958 which must be provided for in the budget.

It is impossible to estimate the tuition budget accurately because of fluctuating enrollments and costs. We estimated a tuition budget of \$19,500.00 for 1957 and actually expended \$19,722.70. We are asking for \$21,775.00 for 1958 and hope that our expenditures will not exceed that amount. This is an increase of \$2,225.00.

ELEMENTARY SCHOOL BUILDING ADDITION

The four-room addition to the Elementary School building is now nearing completion. This much needed space will make it possible to relieve the congestion in the school and release the dual-purpose room for activities and school lunch purposes. We hope it will provide sufficient room to meet the needs of our expanding school population for several years.

The trustees of the School District and Selectmen have done commendable work in the construction of this addition. The rooms are modern, well planned and with an interior conducive to promoting the best in educational procedure. I am sure you all join with me in extending our thanks and appreciation to those who have contributed in improving the educational facilities of the town.

We also appreciate the St. Regis Paper Company providing the plans and specifications for the addition at no cost to the town. Mr. Joseph Roderick, and others of the Mill's engineers, have given many hours of their time in helping to supervise the project. Their help has been of untold value.

THE EDUCATIONAL PROGRAM

We have endeavored during the past year to make a thorough study of the educational program now being offered. All the teachers of School Union 91, under the guidance of Mrs. Grace Dodge, Bucksport's elementary supervisor, have prepared a course of study which we hope will not only serve as a guide and help to our teachers, but will tend to enrich our curriculum content.

One of the first progressive steps we have taken this year is the purchase of new and up-to-date textbooks in the field of mathematics for all grades. Whenever sufficient funds are available we hope to extend the program into other subject matter. We hope, as time goes on, that we will be able to broaden our curriculum content, reduce our class-pupil load, and introduce improved teaching methods and facilities. We believe that our educational program compares favorably with those of similar school systems throughout the State.

SCHOOL PERSONNEL

We have been fortunate in being able to retain the services of all of our regular teachers. The only change in our teacher personnel this year was in the music position. Miss Natalie Haskell, a recent graduate of the Boston University College of Music, replaced Miss Florence Homer, who retired. She teaches music one day a week in Orland and is doing commendable work.

Mr. Lewis Stackpole resigned as our school janitor last summer, being replaced by Mr. Reynold Soper, who has proved very satisfactory and capable.

I want to express my personal appreciation for the interest, encouragement and help given me during the past year by the members of the Superintending School Committee in the administration of the school. The School Committee joins me in expressing appreciation to the teachers, school lunch cooks, bus drivers and janitors for their work done and interest shown in the school. To all others who have contributed to the success of the past year, our personal thanks and appreciation.

Respectfully submitted,

PAUL J. BROWN,

Superintendent of Schools

REPORT OF
PUBLIC HEALTH NURSING SERVICE
January 1 through December 31, 1957

Your Public Health Nurse at this time is reviewing the health activities carried on in your town this past year.

Visits have been made to homes of expectant mothers, infants, preschool and school children.

In May, a Well Child Conference for children entering school was held. At which time immunizations for whooping cough, diphtheria and tetanus were offered.

The school health program has been active. Physical examinations were given to the second, fourth and eighth grade children. The type A audiometer hearing test was given to children from the fourth through the eighth grade. The Puretone audiometer test was given the sub-primary group. The school immunization program this year consisted of the poliomyelitis vaccination. With the assistance of the Eastern Maine Tuberculosis and Health Association, the school is at present conducting a mouth health education program. The tuberculosis program this year consisted of the Vollmer patch tests for the sub-primary children.

I wish to take this opportunity to thank Doctor Bernard L. Berry, the Health Council, school personnel and all who have helped to promote the health program in Orland.

Respectfully submitted,

LENEITA BUTLER

Public Health Nurse

AUDITOR'S REPORT

February 7, 1958

Board of Selectmen
Town of Orland
Orland, Maine

Gentlemen:

In accordance with the laws of the State of Maine and at your request, we have audited the books and records of the Town of Orland for the municipal year ended December 31, 1957.

Our examination was made in accordance with generally accepted standards of Municipal auditing and included such tests of the accounting records and other procedures as we deemed necessary.

In our opinion, the accompanying statements labeled Exhibits "A" through "F" fairly present the financial position of the Town of Orland as at December 31, 1957, and the results of its transactions for the municipal year then ended; applied on a basis consistent with that of previous years.

Respectfully submitted,

LITTLE, GRAY & HORTON

A complete report of our audit is on file at the town office.

TOWN WARRANT

State of Maine

County of Hancock, ss.

To Manley E. Gray, a Constable of the Town of Orland,
County of Hancock, State of Maine. Greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orland, qualified by law to vote in Town affairs, to meet at the Town House in said Town, on Monday, the 17th day of March, 1958 at 10 o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To choose by secret ballot the following officers for the ensuing year, to wit: Town Clerk, Selectmen, Assessors and Overseers of the Poor, Tax Collector, Road Commissioner, Collector of Excise Taxes, Superintending School Committee, Town Treasurer, Fish Warden, one member of the School District Trustees to serve the regular five year term, one member of the Fish Committee for three years.

The polls will be open at 10 o'clock in the forenoon and will remain open until 5 o'clock. The remaining business under this warrant will begin at 7:00 P. M.

Article 3. To act on the report of the municipal officers and Superintendent of Schools.

Article 4. To choose constables.

Article 5. To choose surveyors of wood, lumber, staves and heading.

Article 6. To adopt a method of collecting taxes.

Article 7. To see if the Town will vote to allow a discount of two percent on all taxes paid on or before July 15, 1958. Not to include Poll Taxes.

Article 8. To see if the Town will vote to charge interest after September 15, 1958 on all unpaid taxes.

Article 9. To fix the compensation for collecting real estate, personal and excise taxes.

Article 10. To see if the Town will vote to take fish in the season of 1958.

Article 11. To see if the Town will vote to abolish the Fish Committee and their duties delegated to the Selectmen.

Article 12. To see if the Town will vote to authorize the Fish Committee to receive bids for building the trap, maintaining same and bailing the fish for a period not to exceed three years or to see if the Town will vote to have the Fish Committee hire a foreman to supervise the building of the trap and handling the fish, or to give to the purchaser a contract not to exceed three years and the purchaser to build and maintain his own trap for this period. Also to see if the Town will authorize the fish committee to receive bids for trucking fish, all agreements or contracts be subject to approval of the Selectmen.

Article 13. To see if the Town wishes to make any change in regard to the pay of Town Officers, if so, vote same.

Article 14. To raise money for snow removal and sanding from November 1st to April 1st, classed as winter road money.

Article 15. To raise money for repairs of highways and bridges from April 1st to November 1st, classed as summer road money.

Article 16. To fix compensation for Town highway labor of men and trucks.

Article 17. To see what amount the Town will vote to take from Excise Tax to supplement the amount raised for highways and bridges.

Article 18. To raise money for support of schools, this to include total expenditures.

Article 19. To see if the Town will vote the amount of State Tax be included in the total School Fund.

Article 20. To raise money for support of poor, supplementing old age assistance and Veterans' relief.

Article 21. To see what sum the Town will vote to raise for pay of Town Officers to be applied to the Current and Contingent Account.

Article 22. To see if the Town will vote the balance of the Excise Tax to be applied to the Current and Contingent Account.

Article 23. To raise money for Memorial Day.

Article 24. To raise money for care of old cemetery.

Article 25. To raise money for Mothers' Aid (Dependent Children).

Article 26. To see whether or not the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Sec. 108, of the Revised Statutes of 1954.

Article 27. To see if the Town will raise and appropriate \$25.00 for public health nursing in Orland. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health for local service.

Article 28. To see what sum the Town will raise and appropriate for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44 and 49 Chapter 23, R. S. 1954 as amended.

Article 29. To see what amount the Town will vote to raise for the support of the Orland Volunteer Fire Department for costs of fires, expenses and equipment.

Article 30. To see if the Town will vote to authorize the Selectmen to dispose of any Town-owned land or real estate acquired by non-payment of taxes, on such terms as they may deem advisable and to execute quit-claim deeds for same.

Article 31. To see if the Town will vote to authorize the Selectmen and Treasurer to make temporary loans in the anticipation of and to be paid out of current taxes for the taxable year 1958 and to issue the Town's negotiable notes therefor.

Article 32. To see if the Town will vote to authorize the Selectmen and Treasurer to issue the Town's negotiable notes or bonds for the purpose of renewing, refunding or paying certain notes of the Town due now or to become due during the taxable year 1958.

Article 33. To see if the Town will vote to authorize the Selectmen to sell and dispose of any obsolete equipment.

Article 34. To see if the Town will vote to accept the provisions of the Workmen's Compensation Act and if so to raise money for same.

Article 35. To elect a fire ward.

Article 36. To see if the Town will vote to pay Social Security on regular Town employees and raise money for same, also to see if the Town will vote to pay Social Security on all eligible school employees and raise money for same.

Article 37. To see if the Town will vote to raise and appropriate a sum of money for Civil Defense and Public Safety.

Article 38. To see if the Town will vote to transfer the 1957 fish money to the School District Trustees as needed, to retire the bonds and interest and other expenses of the School District for the year 1958.

Article 39. To see if the Town will vote to have a watchman and police for the Village. If so, to raise money for same.

Article 40. To see if the Town will vote to have the watchman and policeman for the Village, appointed by the selectmen.

Article 41. To see if the Town will vote that the watchman at the fire house and the Village Police be elected on the regular ballot as the other Town Officers.

Article 42. To see if the Town will vote money to pay for membership in the Maine Municipal Association.

Article 43. To see if the Town will vote to raise \$1,350.00 to retire the School Bus note.

Article 44. To see if the Town will vote to allow the Selectmen to appoint a committee to work with the Industrial Development Commission to bring an industry to Orland.

Article 45. To see if the Town will vote to install a street light between the Town Hall and Legion Hall.

Article 46. To see what action the Town will take, relating to the repair or rebuilding the bottom of the fish trap.

Article 47. To see if the Town will vote to Raise \$3,300.00 for the revaluation of the Town.

Article 48. To see if the Town will vote to raise \$5,700.00 to retire the first bond on the new school addition. (\$4,000 for principal and \$1,700 interest.)

Article 49. To see what action the Town will take in regard to the building code and zoning ordinance.

Article 50. To see what action the Town will take in regard to building a fish way at Dedham.

The Selectmen will be in session at the Town Hall, March 17, 1958, from 10:00 A. M. to 5:00 P. M. for the purpose of correcting the list of voters.

Given under our hands at Orland this 17th day of February, 1958.
